Dmytro Tkach

WEB developer

Summary of Qualifications

I am a Web-programmer with more than 8+ years of work experience as PHP developer. I have work experience with Bitrix CRM/CMS (also worked with Laravel, WordPress, Joomla, HostCMS, SugarCRM, Yii framework, Magento).

I am a determined and self-motivated person. Also I am a collaborative team player with communication skills. My aim is to deliver high-quality work that meets my clients' needs and exceeds their expectations.

Overall, my goal as a developer is to use my skills and knowledge to develop exceptional eCommerce websites that help businesses achieve their goals. I am constantly learning and improving to provide the best possible solutions for my clients.
